Yes...
you'll
go out
with me...
won't
you?

Me
...?

Ohh
...

Someone like
Himeno-san...
to go out
with the
like of me...
I can't
believe it!

OF...OF
COURSE
!!

Isn't it weird
do you have
someone
you like?

YOU AND YOUR
NUMBOS

Ah...

?

I liked
you
too...

Actually...
I was also
interested
in you...

AFTER
TWO YEARS,
THAT INCIDENT
ALMOST
Faded
FROM MY MIND.

THOSE
GYARU
IDIOTS
!!!

MINING WAS
A STAFF
GROUP
WHICH I
STARTED
TO DATE
DAY BY
DAY.

And that
too the
flashiest
one,
Tobita!

That
nightmare
has
appeared
before me
again!

I'M NOT
THE SAME
AS TWO
YEARS
AGO!

*Why
at the
school
gate!!*

*...
I've made
her a meal
but of use
again...*

*No choice...
I'll wait till
she leaves...*

*I can't go
home if
she keeps
standing
there...*

Tobita/?

I just
thought of
the gyaru
Tobita as
cute...

Returning
home?

H...hey,
Uchi-
kawa~!
What a
coinci-
dence!

A LOT OF THINGS
HAPPENED
TODAY,
I WOULDN'T
HAVE TO
LEAVE MY
MARCH...

LACK THEN
WAS TIGHTLY
WAITING
FOR ME AT
THE SCHOOL
GATE...?

SHE'S
DEFINITELY
MAKING
FUN OF
ME!!

ISN'T
TODAY
A DAY
I HATE??

No,
that's
not, R!!

Uoo
ooo
oo
!!!

S-Speaking
of which

HEY ARE
YOU SO
EARLY IN
COMING

Why...
are you
already
here!!

Plain
clothes
...!!

That is obvious
dumbass

R-NO,
I JUST
HAPPENED
TO MAKE UP
EARLY...

It was early,
but I came
anyway

Th...
This is
bad...

I WAS
JUST
WONDER-
ING WHY
AKIBA...

AH, NO, UM...

What's
the
matter?

She's
way more
beautiful
than
I imagined...

Looks more surprised,
Akiba.

This is my
first time
in Akiba,
so I don't
know.

THAT
I DO,
BUT...

TOBITA-
SAN
MIGHT
NOT
ENJOY
IT...

But
you like
Akiba,
right?

Ha?

!

I'd want
to know
what
you like

Tobita

Trying to
get to
know me
better...

That
certain
looks
suspicious

Is she...

So I guess
I can't hang out
with you.

I have
golden
hair

AND
ENDED UP
HURTING
HER

I JUDGED
TOBITA'S
FEELINGS

A
WHILE
AGO...

EVEN THOUGH
TOBITA
WAS TRYING
TO GET TO
KNOW ME...

NOT ONLY
TODAY,
I JUDGED HER
SOLELY BY
THINKING OF
HER AS A
CYBORG...

AND...

I WILL
LOOK
AT HER
FAIRLY.

ON MONDAY
I MUST
APOLOGIZE
PROPERLY

Subject: Sorry about today

N. No!
Don't
apologize!

I'm sorry...
to be
hurt that
much...

Y...yeah!
How do
I look?!

B-Because
I said I like
black hair
...?

From
the start
Tobito-san
was looking
my way

I just
ran away
from him.

I ended up
hurting him
the day
before
yesterday...

I'm
truly
sorry.

Eeeeh!?

ズボッ

Sorry...
I was
faking it...

Rather
than
that,
about
what I
said...

N...No,
it was just
a joke.
I'm not
angry!

I'm SORRY
FOR
DECEIVING
YOU...

Well,
a joke
is a
joke.

Art Room

You
probably
just said
what you
honestly
think.

If it's about
Saturday,
then don't
worry it.

The things
I didn't know
kept
increasing

I was scared
and asked

For... For
next time,
won't you
tell me a
place you
like?

Th...
That's
why

I know
nothing
about
Tobler-
son.

Leave it
to me!!

Hope-
you
asked me,
right?

AH...
SOME-
WHERE
MORE
NORMAL...

Let's go
